

**OHIO**  
UNIVERSITY

It is my HONOR to report that the Speaking Bobcats of Ohio University won 4th place in Open Sweepstakes at the 40th Annual National Forensics Association National Tournament this past weekend.

This is the first time in 30 years that the Bobcats have placed in the top 5 at this prestigious tournament.

Additionally, it is with great pride that I announce that Dan Glaser is the National Champion in Pentathlon officially making him the top speaker in the nation.

Please join me in congratulating the Speaking Bobcats of Ohio University on their amazing success this entire season!
