The Speaking Bobcats of Ohio University began their season with a trip to the University of Indianapolis Forensics 500 Speech Tournament on September 12, 2009.

Bradley University, currently ranked 2nd in the nation, and traveling a team comprised mostly of seniors and juniors, won the season opener with a total of 231 points. A much younger Bobcat Team made an impressive showing, posting 151 points to finish in second place. Eastern Michigan University earned 110 points to come in third for the weekend tournament.

The team brought home 24 individual awards and earned 16 qualifications to the NFA National Tournament which will be hosted on the Ohio campus, April 15-19, 2010.

The team continues its season with a trip to the OFA Workshop Tournament at Muskingum College this coming weekend. Please join me in congratulating the following Bobcats on their recent success!
